

# NOTICE OF PUBLIC MEETING

## Upgrade of Vuyisile Mini Square Node Precinct – MBDA 001/15/SSIF

The MBDA has been tasked by the Nelson Mandela Bay Municipality to implement a project to upgrade the Vuyisile Mini Square Node, incorporating Vuyisile Mini Square and the connection between the Square and the Baakens River Precinct.

The MBDA has appointed the EAS – Imbono – SS JV as their service provider to implement the project on their behalf.

It is the intention of the MBDA to engage with a broad cross-section of stakeholders including individual property owners, organizations, institutions, societies and the general public in order to introduce the project and obtain input.

As such all interested and affected parties are invited to attend a public meeting and open day on **Wednesday 7 December 2016 from 14:00 to 18:30**.

The meeting will be held in the **First Floor Foyer** at the Mandela Bay Development Agency offices at the **Old Tramways Building in Lower Valley Road**.

The project team will be on hand to present the project as well as answer questions.

Note that there will be two formal presentations, at **14:00** and **17:00** in order to provide all stakeholders with an opportunity to view the project presentation.

**Please note further that a display of the project proposals will be available in the foyer of the Tramways Building for the general public to view and provide comments for a period of 30 days after the public meeting.**
